The Texas Society of Professional Engineers South Plains Chapter is pleased to announce that the Engineer’s Week Banquet will be held on Thursday, February 20, 2020. We are seeking industry professionals, associated contractors, and vendors to sponsor tables for this event. This is a great opportunity to gain exposure for your company.

What does the program include?
A great evening of networking and dining.

- **The Young Engineer of the Year Award** will be presented to a young TSPE Member in the Lubbock area that has made outstanding contributions to the Engineering Profession and the community during the early years of one’s career.

- **The Engineer of the Year Award** will be presented to an engineer in the Lubbock area that has made a tremendous contribution to the community and the profession.

- **The Future Engineer of the Year Award** is an essay contest for area high school students. The topic of the essay will be “How do Engineers Add Value to Society?”

- **The Visioneer of the Year Award** recognizes the community leader who has contributed to the advancement of the engineering profession by supporting a vision of the future of engineering, educating tomorrow’s engineers, and/or fostering an environment for engineers to thrive.

- **The Trailblazer Award** recognizes an outstanding project, product or invention. Any engineer, developer, architect, contractor, consultant, private enterprise, or public entity is eligible to submit entries regardless of project or innovation size, budget, style, or type.
